

Mission: Lifeline Community, A social networking tool for STEMI Professionals

Mission: Lifeline Community

What is it?

A central location for the systems in the directory, the communication and documents for STEMI professionals.

<http://missionlifelinecommunity.americanheart.org/home>

Mission: Lifeline Community

Ultimately, the community's goal is to:

- Increase the systems within the U.S.
- Increase the number of systems tools/resources available to others.
- Provide an efficient manner in which new STEMI science is disseminated.

STEMI Directory

The screenshot shows a Mozilla Firefox browser window displaying the Mission Lifeline STEMI Directory. The browser's address bar shows the URL <http://missionlifelinecommunity.americanheart.org/stemi-directory>. The website's navigation menu includes links for Home, STEMI Directory, Events, Groups, Forums, Videos, Members, Site Help, and Related Sites. The main content area features a "WELCOME!" message and a map of the United States showing STEMI mortality by county. A legend in the bottom right of the map area identifies "STEMI SYSTEM" and "STEMI MORTALITY BY COUNTY". The browser's taskbar at the bottom shows several open applications, including Microsoft Outlook and a presentation titled "ML Community.ppt".
