

## CATRAC Mission : Lifeline CARDIAC CARE EDUCATION SUB-GROUP

Wednesday March 17<sup>th</sup>, 2010 AGENDA

I. Welcome

II. Roundtable introductions:

- a. sign in on roster
- b. your focus (public or professional ed?)

III. Plan group division: Professional and Public education. Two separate but coordinated groups

IV. **12 noon – 1 pm** focus on **Professional Education**

Facilitators: Connie Behrrost and Joe Flores

*(agenda for the professional education pending)*

V. **1 pm – 2pm** focus on **Public Awareness & Education**

Facilitators: Helen Raab RN and Neva Schmelzer RN

- a. Have we been able to contact Dr. Lee?  
What questions do we want to ask? eg:  
How to ask for baseline data from her that supports these ?'s:  
Who delays 911 calls?  
Why?  
When did the sx start?  
When did they call 911?  
What was event between sx onset and calling 911 was pivotal in causing them to call 911?

b. Capturing EMS data

2 pt Identifiers, is it in the protocol? Who in protocol to contact to verify?  
Hospitals: need system in place to handle electronic records sent after the event. Has protocol committee addressed this?  
Who in this committee wants to f/u with protocol and report back in April?

Wilco: Melissa – who to contact to get web access for run sheets?  
Contact Terry King?  
Is this available to all hospitals?  
How is this info disseminated?

c. CPR take 10, Take heart:

Neva unable to present this meeting, will try for April  
Does this program say anything about sx and when to call 911?  
Should it?  
Is there any one in our group with links to scouting etc, that would want to bring this CPR training to the local council?

d. Stop Drop and Control: AFD HTN management campaign  
Do we have a rep from AFD here to discuss this?

e. Design fridge magnet  
Helen and Tammy have not met yet  
Show sample when available

d. Adjourn public awareness, next meeting reminder  
Discuss when to have next meeting (next full group meets from 8-9:30 on April 21<sup>st</sup>) Do we want to change our meeting to the 14<sup>th</sup> or 28<sup>th</sup>?
