

**TSA-O
Hospital HRSA
Preparedness Planning
Workshop
Agenda**

May 26, 2006

- I. Sign In
- II. Introductions
Introductions were made by all attendees.
- III. Granger Update – Jeremy Anderson
- IV. Decontamination Team Communications – Craig DFW Communications
Discussion as to whether or not we want universal radios. Each facility will be licensed. Questions were asked as to how this will be done regarding various channels. There should be no bleed-over with hospital radios. We will need addresses and phone numbers of each location,

Satellite phones: HAS is paying for some airtime. Satellite comes with a docking station.

Discussion on long term planning on payment of these phone. We need a demonstration of these phones for the next meeting.
- V. HRSA 05 Wrap Up.
- VI HRSA 06 Update-Planning
- VII DSHS-HRSA Audit: To be done in August.
- VIII HRSA 07 - Discussion of available bed tracking to State. Information regarding emergency department and operating rooms is needed. Also information regarding staffed and un-staffed bed availability.
- IV Regional Hospital Query – Information needs to be filled in and returned to office.
- X HAM Radio Installation Update: Central Texas Medical is up and running. Training will be provided.
- XI Regional NIMS Training

XII Regional Operational Issued Discussion: Nationally HRSA's cap is 10%.
HazWoper Classes at South Austin Hospital June 30.
